PERSONAL AND CONFIDENTIAL
Re: Joseph Patnode

Dear George:

Thank you for the information concerning Mr. Patnode. I am enclosing the usual blank so that you may provide a description of him.

The years have a way of clouding situations which lead us to want as much information as possible for our file. Would Mr. Dayhaw be willing to write out a narrative statement of what he actually saw on the signed statement? You can assure him that these statements are kept under lock and key and shared with no one. Sometimes the police department will cooperate by giving us a photostatic copy of such statements. If they understand to what use it is to be put, they are usually willing to do so. It is always helpful if a trial is held and we know the deposition of the case.

Sincerely yours,
